

## Donations

USD #293 Quinter Public Schools is so very grateful for the generosity of our patrons for donations received in the past and for those considering donating to our school. Donations of any sort ease the burden of the district's operating expense and help ensure that our students and staff have the resources necessary to provide and obtain the highest quality of education possible.

All donations must be approved by the board of education at their regular monthly meetings. If you are considering donating to the district, we encourage you to contact the superintendent or a building administrator to discuss options and the process to go through to complete your donation.

As a courtesy to those who may be considering donating to the district, below is a list of items donors may wish to contribute towards:

| <b>Item</b>   | <b>Estimated Cost</b> |
